CEO Message

Welcome to the 2026 PharmaChoice Canada Trade Show and to Halifax!

Whether this is your first time joining us or you have been a part of the PharmaChoice Canada family for years, we are delighted you are here. On behalf of our Board of Directors and the entire PharmaChoice Canada team, thank you for taking the time to be with us in beautiful Nova Scotia.

We know that getting here means leaving busy stores, trusted teams, and full schedules behind. So first and foremost—thank you! Your commitment to your communities and to independent pharmacy is what makes this network so strong.

This week is about connection. It is a chance to step out of the day-to-day, share ideas with peers from across the country, and remind us that while we may operate independently, we succeed together. And of course, we hope you will also take a little time to enjoy Atlantic Canada’s hospitality while you are here.

As we begin 2026, we are proud of what we have accomplished together. Over the past year, more than 58 new members joined our cooperative, bringing us to over 1,100 locations nationwide and more than \$2.5 billion in system sales. Those numbers represent real pharmacies, real teams, and real communities choosing to stand stronger together through a member-owned model built on collaboration and shared value.

At the same time, we all know the environment we are operating in is changing. Preferred Pharmacy Networks, third-party payors, and growing competition—both in-store and online—continue to challenge how we do business. But challenges also create opportunities. And in response, we are excited to share new initiatives focused on attracting new customers, strengthening loyalty, and helping each of you thrive in your local market.

Over the next few days, I encourage you to make the most of our Education Sessions and our new Pharmacy Excellence Workshops. These sessions were designed with you in mind—practical, relevant, and focused on sustainable growth. Please also take time to connect with our team. We are here to listen, learn, and support you.

Thank you and enjoy the Trade Show!

Grady Brown
CEO, PharmaChoice Canada

Trade Show Agenda

Thursday, April 23rd, 2026
